

## IPQ Subscriptions Information

Annual on-line access to IPQ can be purchased as a single person subscription or as a company-wide access license.

### Individual Subscriptions:

\$3000/year, or \$5,000 for two years, with additional individual subscriptions purchased together \$1000 each.\*

*[NOTE: IPQ information cannot be shared by individual subscribers within a company or externally without permission. IPQ information may be freely shared within the company covered by a license.]*

### Company Access Licenses:

IPQ encourages taking advantage of the added value and cost-effectiveness of a company access license. License pricing is based on the total number of employees at the company rather than on the number of users.

Pricing	
Number of Employees	Cost to the Company
Up to 100:	\$5,000
100-500	\$6,000
500-1,000	\$7,000
1,000-2,000	\$8,000
2,000-5,000	\$10,000
5,000-10,000	\$15,000
10,000-20,000	\$20,000
Above 20,000	add \$1000 per 5,000 employees
Above 100,000	\$36,000

### University or Governmental Agency Access Licenses:

A one year access license for a university or governmental agency is \$3000. Special pricing may be available.

*Special license pricing is available for excipient suppliers to the pharmaceutical industry and companies that have significant non-pharma oriented components. Contact Peter Blachly ([peter@ipqpubs.com](mailto:peter@ipqpubs.com)) for information.*
